

Welcome to winter!

I think winter has finally found its way to the Grand Valley. Although the weather outside can cause a chill, the weather inside the walls of Valley School is warm. Our students are working hard trying to finish credits before the winter break. We've had a great first half of the year!

Our hope for all of our students and their families is to find the joy in the holidays. Seek out the people for whom we are grateful...and tell them what they mean to us. Our gifts of sincere appreciation and thoughtful gestures stay with people far longer than material gifts.

Enjoy your break and stay safe! We look forward to seeing you back at Valley School on Wednesday, January 4<sup>th</sup>!

Sara
