

Welcome BACK!

# Career Center

Good Day,

My name is Cam Wyatt and I'm the principal at the D51 Career Center. A lot has changed over the past 6 months and the "New Normal" has become a way of life.

Here are some things you can count-on!

Career Center will continue to educate the WHOLE student. We will continue to develop and support our school culture based on Prepared-Polite-Productive-Professional (4 P-s). Relationships will continue to be the foundation to success for all and we will always challenge ourselves to be better!

For now, Career Center will be striving to stay the "same" as last year as it relates to classes offered and bussing schedules. As for activities, we will have to adjust based on current situations associated with Covid-19 protocols. Your best resource for current information will be <https://www.d51schools.org/cms/one.aspx?pagelid=32112408>. Career Center has developed a plan based on site resources to address the **"BIG THREE "- MASKS, HAND WASHING and SOCIAL DISTANCING.**

The "New Normal" is here and now, together we will do our best to **Engage, Equip and Empower our Learning Community Today for a Limitless Tomorrow.**

Again, Welcome to a new and exciting year!
